

Top Three Sites for a Navigation Center in Lane County

Legend

- Top 3 Site
- Park
- Childcare Facility
- Bus Stop

Poverty Rate

- 0% - 5%
- 5.1% - 15%
- 15.1% - 25%
- 25.1% - 55%
- 55.1% - 100%

Site Number	Area (Acres)
1	3.7
2	80
3	33.5

The final public parcels are concentrated near neighborhoods with higher poverty rates, helping prioritize areas where additional homeless services may be most needed. The parcels also provide convenient access to nearby bus stops while maintaining distance from existing navigation and childcare facilities. The selected parcels are also large enough to accommodate a larger facility and have practical, usable shapes for development.
